2. In the circumstances reported by the Engineer-in-Chief (Irr), Water Resources Department, Vijayawada in his letter 2nd read above duly enclosing the detailed proposals of the Chief Engineer, NTR TGP, Tirupati and requested the Government to ratify the action taken by the CE, NTR TGP to amend the G.O. Rt.No.149, Water Resources (WRG-GRC) Department, Dated:20.02.2019 by changing the locations of Off Take Sluice from Km 76.180 to Km 64.240 on SSG canal as per allocation made by the Government subject to certain conditions.

3. Government after careful examination of the proposal of the Engineer-in-Chief (Irr), Water Resources Department, Vijayawada and here by agreed to amend the G.O.Rt.No.149, Water Resources (WRG-GRC) Department, Dated:20.02.2019 and ratify the action taken by the Chief Engineer, NTRTGP, Tirupati, by changing the location of Off Take Sluice @ Km.64.240 on SSG canal instead of Off Take Sluice @ Km. 76.180 for supply of Drinking Water to IIT & IISER, Tirupati in Yerpedu Mandal of Chittor District with the following conditions.

1. The Superintending Engineer, SSLC & SB C, Nellore is requested to submit the Designs and Drawings for OT Sluice @ Km 64.240 on SSG Canal to draw 0.07 TMC of water duly providing the spill level as per the CE/CDO guidelines and got approved from the competent authority immediately.
2. The approval for the construction of OT Sluice @ Km 64.240 is subjected to the ratification for approval from the Government duly modifying G.O.Ms.No.149, dated:20.02.2019.

3. The water shall be utilized for the purpose for which it is allotted within three years of the orders.
4. The firm can draw water only on prorate basis as availability of water in Reservoir.
5. The firm cannot claim the permission as a right at the cost of irrigation.
6. The cost of construction of pipeline and other infrastructure should be borne by the firm duly acquiring the necessary land etc., at their own cost.
7. The water rates payable shall be as levied by the Government as per the norms of Industrial usage supply from time to time.
8. A detailed plan showing the location of intake arrangements, pump house, alignment of pipeline and conveyance system should be furnished to the department, for approval.
9. Pump house should be constructed away from the Channel bund duly considering G.O.Ms.No.119, dated:28.03.2017.
10. Off Take Sluice should be constructed as per the norms of Water Resources Department and banks should be protected with wing walls and banks should be constructed with proper consolidation under the supervision of the Departmental officers.
11. Digital Water meters and measuring devices should be installed at the pump house by the Department at their own cost to measure the water consumed and should be made available to the Water Resources and Revenue Department authorities at all times for inspection.
12. The operation of Off-Take Sluice shall be under the control of Water Resources Department only.
13. Water supply will be stopped when there is lean flows in the channel.
14. The water charges are paid in advance for the year on Demand as per the rate fixed by the Government.
15. The firm should be given an undertaking that they will not raise any legal Complications for not supplying of water during the drought period, short fall rains and any type of unforeseen problems.
16. The firm should make its own arrangements for sufficient storage of water during non supply period.
17. The water Resources Department is no way responsible for non supply of water due to any reasons.
18. The Department is no way responsible for any damages that may occur to the off take house during floods.
19. The Department is not responsible for any dispute that arises with neighbouring industries and public and any legal matters.
20. The firm should not create any objection for improvement/ Modernization works to the said Reservoir in future and they have to relocate the pumps if necessary, with their own cost.
21. The Water Resources Department reserves the right for cancellation of the permission without assigning any reasons thereof.
22. The Beneficiary is to abide by any other condition laid down by the Water Resources Department from time to time.
23. Violation of any of the conditions mentioned above shall entitle cancellation of permission granted for drawl of water without any notice.

4. The Engineer-in-Chief (Irr), Water Resources Department, Vijayawada shall take necessary action in the matter.
